Dear Commissioner:

The Examiner is respectfully thanked for the Notice of Allowance sent out on 2010.11.15. However, after further review of the allowed claim Applicant noticed that there was a minor typographical error. Applicant submits that under MPEP § 1302.04 the Examiner may make an Examiner's Amendment after the Notice of Allowance has been mailed as long as the amendment deals only with correction of formal matters in a claim without changing the scope thereof. Applicant submits that this amendment requires no substantial amount of additional work on the part of the Office and therefore respectfully requests that the Examiner make amendment as follows.

Applicant believes that no fee are due for this amendment, however, should there be any deficiencies or need for further fees Applicant hereby petitions for any necessary extension and authorizes the Director to charge applicant's charge account 50-2069 and to credit same account for any overpayments.
